Additional Information:

- All adventure instructors must be current in **First Aid, CPR, AED and Blood Borne Pathogens**. Instructors must submit a copy of their cards to 4-H Camp Ohio's office prior to teaching the class.
- Reminder: If you have team challenge and adventure tower activities simultaneously occurring, only one person needs to be trained in first aid/CPR/AED and blood borne pathogens for the central area.
- To maintain eligibility to lead groups, instructors must to lead a minimum of two sessions per activity each year. A retrain is required if eligibility is not met every year.
- **Each** of the three tower activities (zipline, climbing wall, and rappelling wall) require a trained instructor.
- High Ropes training also requires the instructor to have two observations of another instructor and two observations of themselves before independent instruction is allowed.
