

4-H Camp Ohio's High Hopes for High Ropes Fundraiser

GOAL: \$120,000

4-H Camp Ohio's new High Ropes course will be a wagon wheel-like design, presenting new challenges and new adventures for our campers. Not only will participants have a chance to try a dozen different obstacles while 30 feet in the air, they will also bond as a team and learn about cooperation and determination. Our campers' time on the course will then come to an end with a ride down the thrilling zip line.

With the help of our camping community and the wider community who have a passion for youth development, we are confident we can make this happen for our campers in 2022!

Our High Ropes course is an integral element within our Adventure program here at 4-H Camp Ohio. Both youth and adults take on the course using the "challenge by choice" philosophy where they all achieve success in their own personal challenges. The current course, built in 1988, has seen over 50,000 users and the time has now come to rebuild. The absence of the course has very much been noticed by our campers this year.

While this is a costly project, it will be built by a credentialed professional contractor to satisfy liability and insurance requirements.

All gifts are 501(c)(3) non profit tax deductible

4-H Camp Ohio's High Hopes for High Ropes Fundraiser

4-H Ground Level Support \$ _____

The following levels qualify for donor recognition

Belay Team \$500
