

4-H Camp Ohio is conducting a series of counselor training days called Winter Workshops. The purpose of these workshops is to help with counselor training and on-site hours. The overall goal with this series of workshops to make camp more accessible for counselors and to give them the training needed to run a quality program at camp.

The dates are: April 4th, 2020

Specific Areas: these classes must have at least **3** people registered to hold. Also, volunteers are needed to help instruct these areas (see below). Training will be 10:00-4:30, with the 3:30-4:30 hour reserved for a hands-on teaching time. This means that two groups will pair up (ex Native American and pioneer) counselors will have 30 min to teach something in their respective area then groups will swap and the other group of counselors will have 30 minutes to teach. Participants will be expected to attend the session they are registered for. Please dress appropriately. ****Pioneer will be an “advanced” class. New activities like natural dyes and wool crafting will be done.****

Any age counselor may attend these workshops. Adults may attend as well if needed. Registration is due 2 weeks prior to the workshop. All Workshops will be a one-day training from 10-4:30 (sign-in beginning at 9:30). These workshops are open to **all** counselors, statewide. While these trainings will be site specific to 4-H Camp Ohio, many of the activities can be adapted for other places.

Crafts	Line Dancing
Pioneer (advanced)	Group Games
Native American	Campfire
Kitchen Science	Nature
STEM	Camp Farm (will be led by camp staff)

INTERESTED INSTRUCTORS: Please review the list above and get in touch with the camp office if you are interested in teaching in one of the areas. Please provide 4-H Camp Ohio office with contact information and lesson plan. Instructors **must** provide a written outline for the class! They may use one of the existing outlines from the camp office if arrangements are made 2 weeks before each workshop. There may be more than one instructor per area. Also, please forward this on to any interested parties you may know. Some areas may have a hike associated with them but most should be able to be instructed indoors.
